

Minh Triet

Frontend Developer

I am a final-year student who majors in software engineering. I am a self-taught student who has already finished several courses on Udemy. I love creating amazing and meaningful UI. And with that desire, I will contribute my best for both the company's growth and my personal development.

Frontend Skills

HTML 5

CSS 3

JS ES6

SASS

ReactJS 18

Redux thunk

Typescript

Tailwind

Material UI

Experiences

- 09/2019 - Present
Studying in Van Lang university.
- 07/2021 - 02/2022
Learning HTML, CSS, JS, Reactjs courses with a foreigner teacher on Udemy.
- 07/2022 - 09/2022
 - Processing an internship project (as a React developer).
 - Developing school website.
- 02/2023 - 05/2023
Starting as an intern at Lotte Mart (English translator content, coding marketing mail, crawling data, testing app).
- 10/2022 - Present
Developing graduate project.

Other activities

- Participate in IT conferences at school.
- Speak English with other people from society groups (including foreigners).
- Play badminton, go swimming.

Projects

My portfolio - Self project:

- **Technologies:** Reactjs, TailwindCss
- **Github:** <https://github.com/TMT-Mo/Mo-Mo-portfolio.git>
- **Production:** <https://tmt-mo.github.io/Mo-portfolio/>
- **Description:** My creative profile like a resume that shows all technologies, and projects that I worked with so far.

Other Skills

Github

Nodejs + Express

MongoDB

Swagger

Azure DevOps

Postman

Education

- **Van Lang university**
 - Major: Software Engineering
 - Main subjects: Computer science, Object Oriented Programming, Web application programming, Mobile application programming, Software architecture and design, and Project Management.
 - Grade: 8.35 => GPA: 3.32.

Languages

- English in 4 skills (Intermediate).
- Vietnamese.

Certificates

- Programming: The Web Developer Bootcamp (HTML, CSS, JS), React - The Complete Guide (incl Hooks, React Router, Redux) on Udemy
- English: TOEIC 670/990.
- Other: Certificate of Lotte Internship.

Wanted position:

- Fresher frontend (React ecosystem).

E-box VLU - School project:

- Technologies: Reactjs, Nodejs, ExpressJs, TailwindCss, MUI, Socket io, MongoDB
- Github: <https://github.com/TMT-Mo/E-box-VLU-Client.git>
- Description: Create posts, approve posts for students, comment, like posts, chat in realtime, and manage accounts, statistics of posts
- User guide:
<https://docs.google.com/document/d/1RyOQls4YBPoI4NvWf1E2Exhz0NBkmmkjg/edit?usp=sharing&ouid=102807637504557626512&rtopof=true&sd=true>
- My Role: Leader, main Frontend developer
- Duration: 3 months.

E-Form System - Graduate project:

- Technologies: Reactjs, Typescript, Redux Thunk, MUI, Tailwind, ASP.NET, SQL server, Azure DevOps, REST API
- Github: Privacy policy. Please read Readme instead for full information.
- Description: Digital contract management which allows users to create textboxes, text, drag signature into .doc, .pdf file on E-Form website to create a document, approve a document through a signer list, share a document to departments or users, system management (CRUD account, department, role), filter & sorter data, lock template, and document, view statistics template of all departments, statistics document of all departments, change permissions flexibly, view signer's history for every document.
- Demo & User guide:
<https://lnkd.in/gRaNnVxR>
- My Role: Leader (on 6 members), main Frontend developer, designer, BA
- Duration: 6 months

My Desires

- **Vision:** Become a senior professional full-stack developer, especially with React ecosystem, including mobile and web applications, in 5 years.
- **Teamwork:** Seriously learn skills (technical, communication, collaboration) from other disciplined, experienced developers.
- **Network:** Build a good reputation based on honesty and enthusiasm
- **Other:** Willing to learn and write clean code.

Additions

- Can read documents of any technology, and use framework/ library's APIs.
- Be able to use English for such as commenting, committing, and writing code,...
- Good at using computer basics: Word. Excel, PowerPoint, Visio.
